A New Outlook: Coming Out Of The Grieving Place Stephen Singleton
When challenged to give pastoral counsel to a grieving friend, Pastor Steve Singleton was inspired to write this simple volume of lessons that challenges conventional attitudes about handling grief. The author acknowledges the reality of pain and then challenges the Christian believer to initiate the process to come out of the place of grief and sorrow. He affirms that we "feel what we feel" and then inspires everyone to "get moving" from the grieving place. Using a combination of pastoral experiences and the Scriptures, Pastor Singleton provides a new outlook on the life of the grief-stricken.
