A Photographic Guide to the Birds of Prey of Southern, Central and East Africa (Photographic Guides) D. G. Allan
This guide is aimed directly at the field identification of the birds of prey of Southern, Central and East Africa. Where males differ from females, photographs have been included to show the different plumages, as well as those of juveniles. Colour illustrations depict the underwing and upperwing patterns of the birds in various plumages. Silhouettes help the reader locate the correct bird and for each species a map shows the bird's distribution.
