Building a Youth Ministry that Builds Disciples: A Small Book About a Big Idea Duffy Robbins

While most youth pastors are being regularly evaluated (or even scrutinized) for what they're doing right now in the youth group, the reality is that the most important thing they are doing won't actually be evident until much later. That's because the biggest challenge for any youth ministry is helping teens embrace a whole-hearted devotion to God that lasts far beyond their years in the youth room. Unfortunately, much of youth ministry seems to be designed on the model of setting teenagers up for a "date" with God—a delightful evening that involves music, laughter, food, and light conversation. But what scripture calls us to is not a "one-night stand" with God, but a lifelong love of God that endures. Youth ministry educator and veteran, Duffy Robbins, offers youth workers a blueprint for building that kind of faith in teenagers. In this concise book, ideal for busy youth workers, they'll be equipped to build a youth ministry that instills that lasting faith in its students.
