The Films of Martin Scorsese and Robert De Niro Andrew J. Rausch
In 1973, early in their careers, Martin Scorsese and Robert De Niro collaborated for the first time. Over the next few decades, they worked together on seven more movies, many of which brought them both acclaim and awards. And while successful director and actor pairings have occurred throughout the history of film, few have fashioned so many works of enduring value as these two artists. In little more than two decades, Scorsese and De Niro produced eight features, including the classics *Taxi Driver*, *Raging Bull*, and *GoodFellas*.

In *The Films of Martin Scorsese and Robert De Niro*, Andrew J. Rausch examines the creative output of this remarkable pair, from their initial offering, *Mean Streets*, to their most recent film together, *Casino*. Rausch looks at their relationship as individual artists who worked together to create cinematic magic, as well as the friendship that was forged nearly 40 years ago. Drawing upon interviews and other sources, Rausch goes behind the scenes of their eight films, providing insight and analysis on all their collaborations, including *New York, New York*, *The King of Comedy*, and *Cape Fear*. A rare glimpse into the moviemaking process of these two legends, *The Films of Martin Scorsese and Robert De Niro* will appeal to both scholars and fans alike.
