A Children's Book About Whining (Help me Be Good) Joy Berry
The "Help Me Be Good" series of books were the best lessons I ever learned as a child. I would go into my closet, in my quiet space and read book after book. They kept my attention and I truly learned how to treat people with respect. I'm 25 now, but I grew up on this series of books and they taught me exactly what they were aiming to teach. I'm grateful for them even now, 15-20 years later!
