Green to Go (Buck Reilly Adventure Series Book 2) John H. Cunningham
Buck Reilly went to hell and back in Red Right Return. In Green to Go, it’s a one-way trip. Good news turns bad fast, and the bad just keeps coming in this thrilling new Buck Reilly adventure. The unexpected contents of his parent’s Swiss bank account offer Buck a chance to dig himself out of the hole he’s been in since the recession hit, but first he must recover the treasure maps and clues he lost at sea. Those plans get put on hold when a friend is accused of orchestrating the biggest theft in Key West’s sordid history, and the FBI uses Buck's past against him to demand that he search for the thieves who fled aboard a hundred year-old schooner.

No good deed goes unpunished, and Buck’s dogged by greed and double-crosses from Key West to the Bahamas and points south. His hunt for the missing treasure pits him against a crazed mercenary, Peruvian rebels, rogue Cuban Secret Police and a beautiful woman torn between turning Buck over to the authorities or succumbing to his charm.

Buck’s a lot like the rest of us—trying to make ends meet and hoping for better times. He operates Last Resort Charter and Salvage, flying a 1946 amphibious Grumman Widgeon, hunting for sunken treasure and taking on an occasional passenger, no questions asked. GREEN TO GO is the second book in the Buck Reilly Adventure Series.
