What Maisie Knew (Penguin Classics)

Henry James

What Maisie Knew (Penguin Classics) Henry James
A new edition of the innovative, emotionally complex novel.

After her parents' bitter divorce, young Maisie Farange finds herself shuttled between her selfish mother and vain father, who value her only as a means for provoking each other. Maisie—solitary, observant, and wise beyond her years—is drawn into an increasingly entangled adult world of intrigue and sexual betrayal until she is finally compelled to choose her own future. Published in 1897 as Henry James was experimenting with narrative technique and fascinated by the idea of the child's-eye view, *What Maisie Knew* is a subtle yet devastating portrayal of an innocent adrift in a corrupt society.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
