American Soldiers: Ground Combat in the World Wars, Korea, and Vietnam

Peter S. Kindsvatter

American Soldiers: Ground Combat in the World Wars, Korea, and Vietnam Peter S. Kindsvatter Some warriors are drawn to the thrill of combat and find it the defining moment of their lives. Others fall victim to fear, exhaustion, impaired reasoning and despair. This book synthesizes the wartime experiences of American soldiers, from the doughboys of World War I to the grunts of Vietnam. Focusing on both soldiers and marines, it draws on histories and memoirs, oral histories, psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy, terrain, training or weaponry. The author looks at what motivated these men to serve and how they were turned into soldiers. He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship, and he explores the roles of comradeship and leadership. He also investigates why some men broke down under fire while others excelled. By capturing the core "band of brothers" experience across several generations of warfare, Kindsvatter celebrates the American soldier while helping us to better understand war's lethal reality, and why soldiers persevere in the face of its horrors.

From reader reviews:

Linda Monge:

Reading a e-book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that can give you benefit in your life. With book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story or even their experience. Not only the storyplot that share in the guides. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors these days always try to improve their ability in writing, they also doing some exploration before they write with their book. One of them is this American Soldiers: Ground Combat in the World Wars, Korea, and Vietnam.

Karen Strange:

The book with title American Soldiers: Ground Combat in the World Wars, Korea, and Vietnam includes a lot of information that you can learn it. You can get a lot of gain after read this book. This particular book exist new information the information that exist in this e-book represented the condition of the world right now. That is important to yo7u to learn how the improvement of the world. This particular book will bring you inside new era of the syndication. You can read the e-book on the smart phone, so you can read the idea anywhere you want.

Kathleen Hernandez:

Precisely why? Because this American Soldiers: Ground Combat in the World Wars, Korea, and Vietnam is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will distress you with the secret this inside. Reading this book beside it was fantastic author who also write the book in such wonderful way makes the content inside of easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of advantages than the other book include such as help improving your skill and your critical thinking method. So , still want to postpone having that book? If I had been you I will go to the publication store hurriedly.

Donald Ventura:

It is possible to spend your free time you just read this book this e-book. This American Soldiers: Ground Combat in the World Wars, Korea, and Vietnam is simple to create you can read it in the recreation area, in the beach, train along with soon. If you did not include much space to bring the actual printed book, you can buy the particular e-book. It is make you easier to read it. You can save often the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.
