How I Got Over

Perry Malone

How I Got Over Perry Malone
We are excited about introducing to you what we believe to be one of the most meaningful books you'll ever read. This book is the beginning of a project with a divine purpose to help turn the hearts of the fathers back to the children, to advocate for the victims of injustice, and uniting their voices to speak in the ears of lawmakers. ENOUGH IS ENOUGH. To help create a sound and functional household for the underprivileged surrounding neighborhoods that would instill in them a desire to climb to higher heights; even to the extent of becoming entrepreneurs, and enabling them to do so. This book is part one of a memoir that illustrates many true and personal life experiences, such as government corruption, injustice, dysfunctional families, sexual intercourse, the love of money, parenting, government informants, and much more, based on how they're viewed through the mind of God as well as man. All to help stabilize the family and structuring it the way God intended for it to be. In the recent past, a study found that there were about 2.3 million people incarcerated here in the United States, which is more than any other country, with 140,610 serving a life sentence and two-thirds of them being black and Latino. Nearly one-third of the total number of inmates serving life has no possibility for parole, and sadly, many of which are nonviolent offenders. Surely we must demand change. Perry Malone is a first time author who is currently and temporarily incarcerated. While endeavoring to regain his freedom through the exposure of government corruption, Perry Malone not only surrendered his life to the Lord, but also discovered his ordained purpose and calling which is revealed within the pages of this book. He is now divorced with four children and six grandchildren.
