Missus on a motorbike

Jackie Hartley

Missus on a motorbike Jackie Hartley
In 2002, just when the kids had finally left home and life was getting a bit easier, Jackie's husband came back from a conference and told her that he wanted to learn to ride a motorbike before he got too old. Jackie was first shocked and then horrified. Having witnessed a tragic bike accident in her early 20's she was very against the idea and tried to talk him out of it. Then slowly she got drawn into the fascinating world of biking and bikers until, overcoming her own fears, she took to the road on two wheels. Full of wry observations about bikers, both on and off bikes, amusing anecdotes and a self mocking account of Jackie's efforts to learn to handle her machine on her ever widening travels, this book shows us that motorbiking is not just about power, speed and big macho men in leathers.
