Trustworthy Connections: Interpersonal Issues in Spiritual Direction Anne Winchell Silver
Although God is at the center of the process of spiritual direction, the more readily visible participants are human beings. Like all other people, directors and directees are subject to relationship dynamics. *Trustworthy Connections* identifies some issues and challenges that can arise in spiritual direction relationships and offers resources for further consideration and reflection. The topics and examples are focused on traditional one–to–one, face–to–face spiritual direction, although some are also relevant to group direction and direction by correspondence. *Trustworthy Connections* is designed for use as a reference and a springboard for discussion for spiritual directors and anyone else who is interested in spiritual direction. Like the process of spiritual direction itself, this book is about asking questions, discussing ideas, and suggesting alternatives rather than giving advice or getting answers.
