Awakening to the Dream: The Gift of Lucid Living Leo Hartong

For centuries, philosophers and theologians have pondered questions such as *Who are we?* and *What is the self? Awakening to the Dream* is a book about you and your true identity.

Awakening to the Dream is a very clear, approachable overview of the enigmatic philosophy of Advaita Vedanta, also known as non duality. Essentially, this is a book about you. It points to and from the source of your true identity. The clear seeing that it refers to is neither complex nor simple. It is not something exclusive for intellectual or spiritual elite, nor is it remote or hiding in the future. It is all inclusive, pure presence, closer than your breath. It is the heart of hearts, your birthright and innermost self. This is your invitation to remember what was never really forgotten.
