Barbara Guevara:

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Bartleby, the Scrivener A Story of Wall-Street can make you experience more interested to read.
