**Grandma's Feather Bed, with Audio CD (John Denver Series)** John Denver
Upbeat, funny and irresistibly singable, this song was made famous by John Denver and now made doubly memorable by delightful illustrations by Christopher Canyon, as the award from Moms Choice said. Especially if you listen along with Denver - the hardback edition comes with a CD - kids will say, play it again! - and turn the pages to follow along. It is all about the cousins, the chicken pie, four hound dogs and a piggy, but as the song says, the best darn thing about Grandmas house was her great big feather bed. As Vince Gill said, It just makes sense - John Denver and kids! What fun.
