If Wishes Were Horses: A BBW Paranormal Shape Shifter Romance (Windmere Stallions) (Volume 2)
Erika Masten, Willsin Rowe
If curvy girl Cami Withrow had her druthers, quite a few things in the horse ranch town of Windemere would be different, chiefly that chubby would be the new black and she'd have someone she could rely on as she struggles to help run her grandfather's repair shop and keep it out of the hands of ruthless developers. Nowhere on that list does Cami include having to put up with two hot new mechanics cozying up to her grampa and flirting with her. As suspicious as she is of their motives, she is most resentful of their effect on her usually well-controlled libido. It's nothing like Cami to fantasize about men like them so much or to lose herself every night in vivid, sensual dreams of stampeding stallions and sex under the full moon. Brothers Dale and Markum Ethridge have come into Windemere looking for more than work and packing more than a few family secrets. They know more about the county administrator trying to shut down the Withrow business than they'd want to admit to Cami, who already distrusts them just on principle. It's in her nature not only as a woman who has been let down by too many people in her life but as a unrealized mare shifter, a werehorse, ever at odds with man's compulsion to tame her wild horse spirit. As stallion shifters themselves, they know this all too well. With the once decimated Windemere herd of shifters poised for rebirth, the Ethridge brothers just want to make a place for themselves among their kind and ease Cami Withrow through her own transformation—and into their bed as their mate. But with Cami resisting them every step of the way, the brothers bucking one another over old hurts opened up by their return to Windemere, and political schemes to rob their mate and her family of their home and legacy, making that new life is not going to be as easy as the Ethridge boys would wish. If Wishes Were Horses is the second in a five-title series of standalone BBW paranormal shape shifter ménage romances from bestselling erotic romance and erotica author Erika Masten. Her Aesir Shifter BBW Romance Series is where you'll find the fiercely hot Odin Wolves inspired by Norse mythology.
