From Book 1: Cartier is a young persuasive street entrepreneur with the flair to allure the ladies with high end designer clothes and shoes-- and Christian Louboutins were his favorite choice of enticement. Together, he and his elegant lady friend Madame moved from The Motor City of Detroit and into Atlanta, GA with a million dollar blueprint. The only thing about the plan was that it required a few down ass women in order to seal the deal. Gucci Red, Trish, and Moet all fit the description to do the deed: Fly enough to please the eye, slicker than sly with the mouthpiece to fit any occasion, and ready to get paid.
