Jack Levin

Sociological Snapshots 4: Seeing Social Structure and Change in Everyday Life Jack Levin
When it comes to Sociology, "seeing" is indeed believing. In **Sociological Snapshots 4: Seeing Social Structure and Change in Everyday Life**, Jack Levin bridges the gap between sociological theorizing and everyday experiences by developing students' ability to "see" sociology via "snapshots" of culture and social structure. Unlike other basic readers, this book contains a set of informal essays with topics ranging from elevator culture to domestic terrorism, from fads to the Washington, D.C., snipers. In a simple and entertaining style, this book continues to link everyday experiences to foundational concepts and concerns and analyze data about social reality.
