Vision Tokens Rick Simnitt
What would you do if you got a glimpse of your own future? If you could choose, what would you want to see? And most important, when would you take that peek? These questions, and others, are foremost in Brad Harmon's mind. After rescuing a group of special needs children, he is given five golden tokens which he can use to catch a quick look at what lies ahead for him. Does he look to see what career he should pursue? What car to buy? Or does he look for who to marry, and how to take care of his family, or if he will ever have a family at all? What he learns, and what we all must learn, is that all that really does matter is his relationships--with family, our fellow men and women, and our Father in Heaven. Most importantly, he finds that what really matters most is faith and trust--and our Heavenly Father. "Vision Tokens"-- the debut novel by Rick Simnitt.
