Forty Years in the Wilderness: My Journey to Authentic Living Yiscah Smith
Yiscah's 40-year memoir details her joys and struggles with her own spirituality, gender identity, and commitment to living true to herself. The story she tells is one of a man, facing his truth, embracing the woman she was always meant to be, and returning to her faith with wholeness and authenticity. Her story must be told. It is important for everyone to hear and will hopefully inspire and empower many others who face seemingly insurmountable obstacles to wholeness in their lives.
