From Abraham to Armageddon: The Convergence of Current Events, Bible Prophecy, and Islam T.W. Tramm
Most Christians are either misinformed or blissfully unaware of how current events in the Middle East portend the fulfillment of major Bible prophecies. From Abraham to Armageddon: The Convergence of Current Events, Bible Prophecy, and Islam, explains how past, present, and future events in the Middle East relate to the rise of the Bible's "Islamic Antichrist." From the beginning of the Arab-Israeli conflict, to the birth of Islam, to the rise, demise, and ultimate regeneration of an Islamic empire, or "Caliphate," that will lead to a climactic showdown at Armageddon, T.W. Tramm makes sense of Bible passages that have baffled scholars for centuries: Learn about the mystery of "666"; the seven-headed, ten-horned beast of Revelation and its mysterious "head wound"; the "image of the beast"; and much more. (NOTE: This book has an updated cover; the content remains the same.)
