International Handbook of Children, Media and Culture

International Handbook of Children, Media and Culture
Deliberately selected to represent as many parts of the globe as possible, and with a commitment to recognizing both the similarities and differences in children and young people's lives - from China to Denmark, from Canada to India, from Japan to Iceland, from - the authors offer a rich contextualization of children's engagement with their particular media and communication environment, while also pursuing cross-cutting themes in terms of comparative and global trends.
