The Wolf at the End of the World

Douglas Smith

The Wolf at the End of the World Douglas Smith
A shapeshifter hero battles ancient spirits, a covert government agency, and his own dark past in a race to solve a murder that could mean the end of the world. The debut novel from the multi-award winning author that Library Journal describes as "one of Canada's most original writers of speculative fiction."

The Heroka walk among us. Unseen, unknown. Shapeshifters. Human in appearance but with power over their animal totems.

Gwyn Blaidd is a Heroka of the wolf totem. Once he led his people in a deadly war against the Tainchel, the shadowy agency that hunts his kind. Now he lives alone in his wilderness home, wolves his only companions.

But when an Ojibwe girl is brutally killed in Gwyn's old hometown, suspicion falls on his former lover. To save her, Gwyn must return, to battle not only the Tainchel, but even darker forces: ancient spirits fighting to enter our world...

And rule it.

Cree and Ojibwe legends mix with current day environmental conflict in this fast-paced urban fantasy that keeps you on the edge of your seat right up to its explosive conclusion.
