All of It Kim Holden
Seventeen-year-old VERONICA SMITH has it all: a loving family, a funky car named Jezebel, and a plan to go to college after graduation. On the first day of senior year, she meets DIMITRI GLENN--a mysterious transfer student with gray eyes and a mischievous smile who seems determined to win her heart. But there's something odd about Dimitri, leading Veronica to wonder if there's more to him than meets the eye. Before long, she finds herself in a whirlwind romance that seems too good to be true--until a series of devastating events leaves her questioning everything. It's not until she chooses to think with her heart instead of her mind that she can rise from the ashes to learn the truth of their connection.
