Locked in: My Imprisoned Years in a Destructive Cult Mr. John E Huddle III
Locked in pulls back the thick curtain holding many of the secrets inside Word of Faith Fellowship. This small mountain church in Spindale, NC first came to the national stage in 1995 when Inside Edition aired video which included their signature practice of blasting deliverance prayer. As the first published survivor memoir of this group, Locked in follows John's journey of hope to live in "God's ways" by moving his family to Spindale, only to discover the cult's unique doctrines and practices destroy the family he loves and cherishes. Locked in examines these group practices including communal living, deliverance prayer, fund-raising, as well as revealing the essential beliefs and many unwritten rules governing each member.
