Maine: An Annotated Bibliography

Christian P. Potholm

Maine: An Annotated Bibliography Christian P. Potholm
Exciting and fascinating, *Maine: An Annotated Bibliography* is a look at the Maine Experience from its many historical, political, social, and literary perspectives. Organized under such unifying themes as "The Wild, Wild East," "Ethnicity Matters," "Women in Maine," and "Maine in the Civil War," the work gives readers a most useful and often humorous overview of over 400 books written about Maine. The author introduces the reader to many often overlooked works from the nineteeth century and early twentieth century, such as those by Sally Field, Elijah Kellogg, and Chenoa Hall, as well as many studies of familiar political figures such as Bill Cohen, Ed Muskie, Joshua Chamberlain, Angus King, Margaret Chase Smith, and George Mitchell. A valuable resource for anyone interested in the Pine Tree State.
