Meditations on the Signs of the Zodiac

Meditations on the Signs of the Zodiac John Jocelyn
This esoteric classic contains meditations on each of the twelve signs of the zodiac. John Jocelyn uses traditional astrological symbolism to envision a Christ-centered zodiac-one in which each of the signs relate to an aspect of the New Testament. This is not a book about astrology, but about the deeper meaning of the twelve Zodiac signs. The author relates the Zodiac signs to the development of inner Christ consciousness and encourages readers to meet their individual destinies more consciously and courageously and even with gratitude.
