No Logo: 10th Anniversary Edition with a New Introduction by the Author Naomi Klein

NO LOGO was an international bestseller and "a movement bible" (*The New York Times*). Naomi Klein's second book, *The Shock Doctrine*, was hailed as a "master narrative of our time," and has over a million copies in print worldwide.

In the last decade, *No Logo* has become an international phenomenon and a cultural manifesto for the critics of unfettered capitalism worldwide. As America faces a second economic depression, Klein's analysis of our corporate and branded world is as timely and powerful as ever.

Equal parts cultural analysis, political manifesto, mall-rat memoir, and journalistic exposé, *No Logo* is the first book to put the new resistance into pop-historical and clear economic perspective. Naomi Klein tells a story of rebellion and self-determination in the face of our new branded world.
