Storm Toward Morning

Malachi Black

Storm Toward Morning Malachi Black

"To be both visionary and accurate, true to physics and metaphysics at the same time, is rare and puts the poet in some rarefied company. Black, like a few other younger poets, is willing to include all the traditional effects of the lyric poem in his work, but he has set them going in new and lively ways, with the confidence of virtuosity and a belief in the ancient pleasures of pattern and repetition."—Mark Jarman, *American Poet*

Lush and daring, Malachi Black's poems in *Storm Toward Morning* press all points along the spectrum of human positions, from sickness, isolation, and insomniac disarray to serenity, wonder, and spiritual yearning. Pulsing at the intersections of "eye and I," body and mind, physical and metaphysical, Black brings distinctive voice, vision, and music to matters of universal mortal concern.

Query on Typography

What is the light
inside the opening
of every letter: white
behind the angles
is a language bright
because a curvature
of space inside
a line is visible
is script a sign
of what it does
or does not occupy
scripture the covenant
of eye and I
with word or what
the word defines
which is source
and which is shrine
the light of body
or the light behind?
