The Bikini Book

Kelly Killoren Bensimon

The Bikini Book Kelly Killoren Bensimon
On the occasion of its sixtieth anniversary, Assouline presents the authoritative volume on the bikini with iconic images from its history, a study of its symbolism, and a look at the most defining fashions.
A sexy alternative to the one-piece swimming costume, the bikini forever changed the way women relate to their bodies. Smaller than the world s smallest bathing suit, as it was first described by its creator Frenchman Louis Reard, the bikini has become a symbol of female sensuality and liberation.
Here is a four hundred page tribute to the Hollywood pin-ups of the 50s; Bond girls Ursula Andress and Halle Berry rising up from the sea; the beaches of Copacabana and Ipanema, birthplace of the tanga; Brigitte Bardot, topless and poolside in St. Tropez; the itsy bitsy teeny weeny styles of the 60s; beach bodies on spring break; the monokini, tankini, bandini, and v-kini; the strappy and the sporty; the sexy and the outrageous. But whether iconic or ordinary, scandalous or social, every image of the bikini in this luscious volume is about beauty.

From reader reviews:

Robert Hollinger:

What do you think of book? It is just for students because they're still students or the item for all people in the world, exactly what the best subject for that? Simply you can be answered for that question above. Every person has distinct personality and hobby for every single other. Don't to be pressured someone or something that they don't want do that. You must know how great and also important the book The Bikini Book. All type of book is it possible to see on many resources. You can look for the internet resources or other social media.

Wesley Powell:

Nowadays reading books become more and more than want or need but also be a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The info you get based on what kind of publication you read, if you want have more knowledge just go with education and learning books but if you want really feel happy read one along with theme for entertaining for instance comic or novel. The The Bikini Book is kind of reserve which is giving the reader erratic experience.

Marni Johnson:

This book untitled The Bikini Book to be one of several books which best seller in this year, that's because when you read this e-book you can get a lot of benefit into it. You will easily to buy this specific book in the book retail outlet or you can order it via online. The publisher of the book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Smart phone. So there is no reason for your requirements to past this publication from your list.

Karen Strange:

What is your hobby? Have you heard which question when you got scholars? We believe that that issue was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And also you know that little person such as reading or as studying become their hobby. You should know that reading is very important and book as to be the point. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You find good news or update with regards to something by book. A substantial number of sorts of books that can you take to be your object. One of them is niagra The Bikini Book.
