This hair-raising and pulse-pounding book reveals our ancient past, starting thousands of years ago with those who from heaven to earth came, our creators, and moves forward in time with the economic collapse of the most powerful nation in the world, the United States of America, followed by its complete and total destruction. Then the author of this hair-raising book reveals the apocalyptic end times, and the exact year and season that it will occur with the second coming of Jesus Christ to this planet to rid it of Lucifer's evil bloodline that has been deceiving the general population on earth since the creation of Adam and Eve.
