Body Style (Subcultural Style) Theresa M. Winge

Illustrated with specific subcultural examples and interviews with subculture members, *Body Style* explores the subcultural body and its style within global culture. Analyzed, theorized, politicized, and sensationalized, the subcultural body functions as a framework where individuals build a sense of self and subcultural identity.

Drawing on eleven years of research examining the intersections within specific urban subcultures including Urban Tribalists, Modern Primitives, Punks, Cybers, Industrials, Skates, among others, the book reveals the subculture body as a site for understanding subcultural identity, resistance, agency and fashion. Divided into three main sections on subcultural body history, subcultural body identity and subcultural body styles, this book will be of particular interest to students of dress and fashion as well as those studying subculture from sociology and cultural studies perspectives.

From reader reviews:

Michael Rodiguez:

Have you spare time for the day? What do you do when you have far more or little spare time? That's why, you can choose the suitable activity to get spend your time. Any person spent their own spare time to take a walk, shopping, or went to the Mall. How about open or perhaps read a book eligible Body Style (Subcultural Style)? Maybe it is for being best activity for you. You know beside you can spend your time with your favorite's book, you can smarter than before. Do you agree with its opinion or you have various other opinion?

Charles Bax:

The book Body Style (Subcultural Style) will bring one to the new experience of reading a book. The author style to spell out the idea is very unique. In case you try to find new book to study, this book very suited to you. The book Body Style (Subcultural Style) is much recommended to you to learn. You can also get the e-book from official web site, so you can quickly to read the book.

Olivia Cook:

People live in this new time of lifestyle always make an effort to and must have the time or they will get large amount of stress from both day to day life and work. So , when we ask do people have extra time, we will say absolutely yes. People is human not really a huge robot. Then we consult again, what kind of activity do you possess when the spare time coming to an individual of course your answer may unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative in spending your spare time, the particular book you have read is definitely Body Style (Subcultural Style).

Chad Steinberger:

Playing with family inside a park, coming to see the water world or hanging out with close friends is thing that usually you could have done when you have spare time, subsequently why you don't try matter that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Body Style (Subcultural Style), you could enjoy both. It is very good combination right, you still need to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't understand it, oh come on its referred to as reading friends.
