Fresh Doubt: A psychological thriller with a strong female investigator (Ingrid Skyberg FBI Thriller Series Book 2) Eva Hudson

A story of lies, secrets and deadly mind games

Brilliant American psychology student Madison Faber is in police custody - a potential murder suspect. Two hours ago she found her roommate lying in a pool of blood.

Special Agent Ingrid Skyberg is assigned to investigate the case on behalf of the US embassy. Tasked with supporting a terrified Madison Faber and uncovering the truth behind her friend's death, Ingrid discovers a sinister extremist group operating out of Faber's London college.

Up against the obstructive attitude of the Metropolitan Police and defying the wishes of the embassy, Ingrid must navigate through a minefield of fear and mistrust to discover the killer's true identity. But in order to ensure justice is served, she is forced to operate so far beyond the law that she may never get back again.

If you love books by Lee Child and Michael Connelly, and you've been waiting for an FBI heroine to rival Clarice Starling and Dana Scully, the Ingrid Skyberg FBI Thriller series might be just what you're looking for.

A NEW FBI HEROINE

Fresh Doubt is the second Ingrid Skyberg FBI Thriller, a female action adventure series set in the American embassy in London. If a US citizen gets into trouble, Special Agent Skyberg is on hand to fix things—by any means necessary. If you like thrillers with a twist, a strong female lead and a side serving of romantic intrigue, then this up-all-night thriller series is just what you've been waiting for.

Q&A with Eva Hudson

Q: *Why have you set your FBI thrillers in London?*
London's my home town, I know it and love it and it never occurred to me to set the books anywhere else.

Q: *But would an FBI agent really be working in the UK?*
Absolutely. The aim of FBI agents based in the American embassy in London is to work closely with the police and security services to help fight international terrorism, organized crime, cyber crime, and – this is where Ingrid comes in – general 'criminal matters'. As the FBI's sole representative in the Criminal Division, Ingrid has an awful lot of crime to fight.

Q: *You're a Brit, so why have you used American spelling?*
It's not just American spelling, I also use American English. The books are written from Ingrid's perspective - we're inside her head in every scene - so it makes sense that she would think 'sidewalk' and not pavement. Using American English was really the only option, but I make sure that when the Brits speak, they always use British English.
