The feminine mystique

Betty Friedan

The feminine mystique Betty Friedan
Landmark, groundbreaking, classic ? these adjectives barely describe the earthshaking and long-lasting effects of Betty Friedan's The Feminine Mystique. This is the book that defined "the problem that has no name," that launched the Second Wave of the feminist movement, and has been awakening women and men with its insights into social relations, which still remain fresh, ever since. A new introduction by the bestselling author Anna Quindlen traces the book in her own story and how it was prescient on consumer culture as well as domestic issues. “Betty Friedan has been and remains a bridge between conservative and radical elements in feminism, an ardent advocate of harmony and human values.” ? Marilyn French, Esquire “One of those rare books we are endowed with only once in several decades, a volume that launched a major social movement …Betty Friedan is a liberator of women and men." ? Amitai Etzioni, author of The Spirit of Community: The Reinvention of American Society

From reader reviews:

Angela Jones:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each guide has different aim or even goal; it means that publication has different type. Some people truly feel enjoy to spend their time to read a book. They are really reading whatever they have because their hobby will be reading a book. What about the person who don't like reading a book? Sometime, individual feel need book when they found difficult problem or even exercise. Well, probably you will require this The feminine mystique.

Walter Jones:

The book The feminine mystique make one feel enjoy for your spare time. You should use to make your capable more increase. Book can for being your best friend when you getting anxiety or having big problem along with your subject. If you can make reading through a book The feminine mystique to get your habit, you can get considerably more advantages, like add your own personal capable, increase your knowledge about a number of or all subjects. You may know everything if you like start and read a reserve The feminine mystique. Kinds of book are several. It means that, science book or encyclopedia or other people. So , how do you think about this reserve?

Bertha Chang:

Precisely why? Because this The feminine mystique is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret that inside. Reading this book alongside it was fantastic author who all write the book in such remarkable way makes the content inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This unique book will give you a lot of gains than the other book include such as help improving your skill and your critical thinking way. So , still want to hold up having that book? If I were being you I will go to the publication store hurriedly.

Linda Gabriel:

Is it you actually who having spare time subsequently spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This The feminine mystique can be the response, oh how comes? It's a book you know. You are consequently out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these ebooks have than the others?
