Contemporary American Religion: An Ethnographic Reader

Penny Edgell

Contemporary American Religion: An Ethnographic Reader Penny Edgell
No single narrative or theory can describe the varieties of religious experience in North America today. The tidy dichotomies of liberal/ conservative, public/private, local/global, and renewal/secularization make little sense once specific congregations are examined closely. To understand the shifting boundaries of contemporary religious expressions, new tools are needed. Contemporary American Religion collects qualitative, on-the-ground studies of local congregations by up-and-coming religious scholars. Ethnography combined with more traditional sociological methods, help make sense of complex religious communities—from Messianic Jews to evangelical feminists, from Gospel Hour at a gay bar to exurban megachurches. This collection covers a wide span of the religious landscape, always trying to uncover new theoretical insights. Essential reading for classes in sociology of religion, contemporary American religion, and anthropology of religion.
