Covert Christmas (Echo Mountain Book 2) Hope White

DIAGNOSIS: AMNESIA

A man has been shot and left for dead on Echo Mountain, and Search and Rescue K-9 handler Breanna McBride wants answers. With no memory, all the injured man can recall is that his first name is Scott, and that someone wants him silenced. Scott knows better than to depend on strangers, yet he finds himself falling for his captivating protector. And although Breanna won't rest until she helps him piece together the rest of his past, she vows to ignore the attraction between them. But as they close in on the truth, she becomes the killer's next target. Now the pursuers will stop at nothing to ensure the pair is six feet under by Christmas.
