TURN ON THE CHARM

According to some (including himself), Constantine is one of the greatest heroes of dragonkin who ever lived. Too bad he's now lonelier than ever and his biggest adventure involves a blow-up sheep-until he has an opportunity to save his kind once again. All Constantine has to do is break into a demon's dungeon, steal an ancient artifact, and reverse a deadly curse. The plan certainly does *not* involve rescuing a woman . . .

TURN UP THE HEAT

Bee isn't sure whether to be infuriated or relieved when Constantine pops up in her prison. The broody, brawny shifter lights her fire in a way no one ever has before, yet how far can she really trust him? Their chemistry may be off the charts, but when push comes to shove, Constantine will have to make a crucial choice: to save the dragons or the woman he's grown to love with fierce intensity.
