Faith Without Illusions: Following Jesus as a Cynic-Saint Andrew Byers
Call it burnout. Call it enlightenment. Call it whatever you like--it's plaguing the contemporary church. Andrew Byers calls it cynicism--the state we all too easily arrive at after passing through disillusionment. Too many saints in the making are having their wings clipped in this painful process. But wait--there's hope. Disillusionment is, at its heart, the dispersal of illusions, pointing us toward what's really real--a great cloud of hopeful realists who have gone before us and welcome us into their number. There is a way beyond cynicism, and if we follow Jesus through it, we'll find faith and life at their fullest.
