Half Light Angel Wings

Misty MacAllister

Half Light Angel Wings Misty MacAllister
Cord Ferguson Lynch was once mortal, but that was before he was damned. Now, he’s the Scion of Wrath wielding the power of The Rook Lord, one of the seven Watchers, and he fights for the only thing he has left: vengeance. That's until he meets a beautiful angel, Raja.

Raja is used as a weapon by a mysterious sect at war with the Watchers. She knows nothing of the world or the pleasures it can hold, until she meets Cord.

When they get together all hell freezes over, and nothing but their passion will make it melt.

Half Light Angel Wings, a paranormal fantasy novella, is a rip-roaring ride through a world of Angels and Demons.

From reader reviews:

Christi Potter:

Nowadays reading books be a little more than want or need but also become a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want get more knowledge just go with training books but if you want experience happy read one having theme for entertaining for instance comic or novel. The particular Half Light Angel Wings is kind of e-book which is giving the reader erratic experience.

Tony Hill:

A lot of people always spent all their free time to vacation as well as go to the outside with them household or their friend. Do you know? Many a lot of people spent many people free time just watching TV, as well as playing video games all day long. If you wish to try to find a new activity this is look different you can read the book. It is really fun in your case. If you enjoy the book that you read you can spent the whole day to reading a reserve. The book Half Light Angel Wings it is rather good to read. There are a lot of individuals who recommended this book. They were enjoying reading this book. If you did not have enough space to bring this book you can buy the particular e-book. You can m0ore simply to read this book from your smart phone. The price is not too costly but this book features high quality.

Charles Denzer:

This Half Light Angel Wings is completely new way for you who has intense curiosity to look for some information since it relief your hunger of information. Getting deeper you upon it getting knowledge more you know or you who still having tiny amount of digest in reading this Half Light Angel Wings can be the light food in your case because the information inside this particular book is easy to get through anyone. These books create itself in the form that is reachable by anyone, yeah I mean in the e-book type. People who think that in guide form make them feel drowsy even dizzy this publication is the answer. So there is absolutely no in reading a e-book especially this one. You can find actually looking for. It should be here for you. So , don't miss that! Just read this e-book kind for your better life and also knowledge.

Steven Simon:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Half Light Angel Wings can make you truly feel more interested to read.
