Handbook of Counselling in Organizations

Handbook of Counselling in Organizations
This major handbook covers all aspects of counselling within an organizational context,

The authors provide a thorough examination of all the key areas and concerns in the field, including: models of counselling in organizations; assessing the organization for counselling provision; introducing counselling into the organization; how the organization can impact on the counselling process; understanding and working with the organization as a counsellor; evaluating counselling provision within organizations; and training and supervising counsellors working with organizations.
