International Handbook of Student Experience in Elementary and Secondary School

International Handbook of Student Experience in Elementary and Secondary School

This handbook brings together in a single volume the groundbreaking work of scholars who have conducted studies of student experiences of school in Afghanistan, Australia, Canada, England, Ghana, Ireland, Pakistan, and the United States. Drawing extensively on students' interpretations of their experiences in school as expressed in their own words, chapter authors offer insight into how students conceptualize and approach school. The book examines how students understand and address the ongoing social opportunities for and challenges in working with other students and teachers, and the multiple ways in which students shape and contribute to school improvement.
