Investment Performance Measurement

Bruce J. Feibel

Investment Performance Measurement Bruce J. Feibel
Many investment books include a chapter or two on investment performance measurement or focus on a single aspect, but only one book addresses the breadth of the field. ***Investment Performance Measurement*** is a comprehensive guide that covers the subjects of performance and risk calculation, attribution, presentation, and interpretation. This information-packed book covers a wide range of related topics, including calculation of the returns earned by portfolios; measurement of the risks taken to earn these returns; measurement of the risk and return efficiency of the portfolio and other indicators of manager skill; and much more. By reviewing both the concepts of performance measurement and examples of how they are used, readers will gain the insight necessary to understand and evaluate the management of investment funds. ***Investment Performance Measurement*** makes extensive use of fully worked examples that supplement formulas and is a perfect companion to professional courses and seminars for analysts.

Bruce J. Feibel, CFA, is Product Manager at Eagle Investment Systems, an investment management software provider located in Newton, Massachusetts. He is responsible for overseeing the development of Eagle's investment performance measurement, attribution, and AIMR/GIPS compliance software. Prior to joining Eagle, Mr. Feibel was a principal at State Street Global Advisors. He earned his BS in accounting from the University of Florida.

From reader reviews:

Celia Robertson:

Have you spare time for just a day? What do you do when you have considerably more or little spare time? Yes, you can choose the suitable activity with regard to spend your time. Any person spent their particular spare time to take a go walking, shopping, or went to the particular Mall. How about open as well as read a book eligible Investment Performance Measurement? Maybe it is to get best activity for you. You realize beside you can spend your time using your favorite's book, you can better than before. Do you agree with their opinion or you have some other opinion?

Molly Maldonado:

What do you regarding book? It is not important with you? Or just adding material when you require something to explain what your own problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? All people has many questions above. They should answer that question since just their can do this. It said that about publication. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need that Investment Performance Measurement to read.

Robert King:

Reading a reserve tends to be new life style in this particular era globalization. With looking at you can get a lot of information that could give you benefit in your life. Having book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A lot of author can inspire all their reader with their story or maybe their experience. Not only situation that share in the books. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on this planet always try to improve their talent in writing, they also doing some research before they write to the book. One of them is this Investment Performance Measurement.

Donna Johnson:

Your reading sixth sense will not betray you, why because this Investment Performance Measurement e-book written by well-known writer we are excited for well how to make book that can be understand by anyone who have read the book. Written throughout good manner for you, dripping every ideas and producing skill only for eliminate your own hunger then you still skepticism Investment Performance Measurement as good book not just by the cover but also by content. This is one publication that can break don't evaluate book by its cover, so do you still needing one more sixth sense to pick this specific!? Oh come on your reading sixth sense already told you so why you have to listening to an additional sixth sense.
