Sexuality, Religion and the Sacred: Bisexual, Pansexual and Polysexual Perspectives

Sexuality, Religion and the Sacred: Bisexual, Pansexual and Polysexual Perspectives

Sexuality, Religion and the Sacred is a thoughtful collection of bisexual, polysexual and pansexual scholarship on religion and spirituality. It examines how religious and spiritual traditions address sexuality, whilst also exploring the ways in which bisexually-, polysexually-, and pansexually-active people embrace religious and spiritual practice. The volume offers a comprehensive analysis of these prevalent themes by focusing on five main areas of discussion: Christian and Unitarian Discourses; Indigenous and Decolonizing Spiritual Discourses; Feminist Spiritual Discourses; Buddhist Discourses; and Neo/Pagan Discourses.

Sexuality, Religion and the Sacred offers an accessible yet scholarly treatment of these topics through a collection of critical essays by academics of theology, humanities, cultural studies and social sciences, as well as sexology professionals and clergy from various faith and spiritual traditions. It gives readers an insight into the intersection of sexualities and spiritualities, and attempts to disrupt this very dichotomy through its careful consideration of a wide variety of discourses.

This book was originally published as a special issue of the *Journal of Bisexuality*.
