**Sleep? But there's so much to do!**

Rabbit is tired, but not *very* tired. He still needs to play with his toy cars. He's even made a cool track to race them on. But Mommy says it's time for bed. It can't be true! Rabbit plots and pleads to stay up longer, and at first Mommy and Daddy are willing to give him some more time. But then Rabbit manages to wake up his little sister . . .

This charming story, accompanied by warm-hued illustrations, captures every child's desire to stay up a little past bedtime.
