The Rantings & Ravings of A Politician & Madman Against Secession: Secession in the Future; Secession Resisted; Secession: A Folly and A Crime Joseph Reed Ingersoll
Herein contains the insanity that Southern Congressmen had to attempt to address in Congress 1860-1862.

The following is a result of being Brainwashed by Patriotism . There are no LEGAL or CONSTITUTIONAL arguments against secession given by the author. It is composed merely of opinions.

Radical, emotional opinions do not make secession legal or illegal. Using religious imagery to make your point without facts is the mark of the hypocrite.

Where are the valid legal arguments that made secession wrong or illegal? Where are the constitutional prohibitions against secession? While slavery was a moral injustice done to too many people of color, the fact remains that slavery was recognized by the constitution and was perfectly legal.

No Republican could lay out in detail with facts, and facts without hypocrisy embedded, any Crime committed by the States in their choice to secede.

What is LIBERTY? Being free to make choices for yourself? Or being tied to a slave master with no heart, no blood, no life, as is a government.

LIBERTY was DENIED to the SOUTH!
