**The Russian Bureaucratic Phenomenon** Karl W. Ryavec
This unique study provides an original, nitty-gritty view of the true nature and operation of Russia's state bureaucracy from the imperial period to the present, including the Putin presidency. The only book-length exploration of the problems and deficiencies of Russian bureaucracy since tsarist times, this detailed work sheds important new light on Russian public administration, an often-overlooked but key barrier to Russian normalization and democratization.
