How you can get started with self publishing for under $6 and in under 30 minutes!

Self-publishing on Kindle Amazon is easier than ever before.

You can have an eBook out in under 24 hours.

You can create a passive income stream in under 24 hours.

It doesn't require profound knowledge or a lot of time.

One week in my self-publishing venture, I was making around $100 a month; just from one book.

I'm far from a professional writer or a marketing expert. Actually I didn't know a single thing about self-publishing or marketing.

I simply wrote a book in a niche I knew and was passionate for.

I saw the potential in that niche.

So I started writing more and pushing out new titles.

Eventually I wrote 7 books in the fitness niche, spread across different pen names. And now I'm making a sharp $500 monthly passive income.

I'm still expanding but the $500 mark is a small success for me.

I want to show you how easy and simple it is.

In this book I'll show you exactly how to start your self-publishing empire with only $6.

Purchase today and have your book out in 24 hours!
