Anthropology (14th Edition) Carol R. Ember, Melvin R. Ember, Peter N. Peregrine
Explains how and why human cultures vary so greatly across space and time

Anthropology, provides students with a comprehensive and scientific introduction to the holistic four fields of anthropology and the important role of applied anthropology. Readers will understand humans in all their variety, and why such variety exists. It also show students how anthropological skill sets can be applied beyond academia. The fourteenth edition places an increased emphasis on new explanations and the necessity to evaluate these new explanations logically as well as on the basis of the available evidence.

REVEL from Pearson is an immersive learning experience designed for the way today's student read, think, and learn.
