At Lady Molly's: Book 4 of A Dance to the Music of Time Anthony Powell

Anthony Powell’s universally acclaimed epic *A Dance to the Music of Time* offers a matchless panorama of twentieth-century London. Now, for the first time in decades, readers in the United States can read the books of *Dance* as they were originally published—as twelve individual novels—but with a twenty-first-century twist: they’re available only as e-books.

As the fourth book, *At Lady Molly’s* (1957), opens, the heady pleasures of the 1920s have begun to give way to the austerity and worries of the 1930s. Even so, the whirl of London life continues: friends commit to causes and to spouses, confess adulteries, and fall victim to dissipation and disillusion. As Nick moves ever more comfortably in the worlds of art, culture, and society, Powell’s palette broadens: old friends make appearances, but new ones take places on the stage as well—including Isobel Tolland, whom Nick knows at first sight he’s destined to marry.

"Anthony Powell is the best living English novelist by far. His admirers are addicts, let us face it, held in thrall by a magician."--*Chicago Tribune*

*"*A book which creates a world and explores it in depth, which ponders changing relationships and values, which creates brilliantly living and diverse characters and then watches them grow and change in their milieu. . . . Powell's world is as large and as complex as Proust's."--Elizabeth Janeway, *New York Times*

"One of the most important works of fiction since the Second World War. . . . The novel looked, as it began, something like a comedy of manners; then, for a while, like a tragedy of manners; now like a vastly entertaining, deeply melancholy, yet somehow courageous statement about human experience."--Naomi Bliven, *New Yorker*

“The most brilliant and penetrating novelist we have.”--Kingsley Amis
