Equipping Christian Warriors for End-Time Tribulation: Knighthood of Christian Warriors Dr. Donald Bell
Today's Christians need to understand what enlistment in the Army of God truly entails. This in-depth study of the Book of Revelation is written for the purpose of being a serious field guide to help prepare Christian warriors for the great tribulations which precede the coming of our Lord, Jesus Christ to restore His kingdom upon the earth. We are right on the verge of devastating events that will create great fear and chaos throughout the world and especially in our comfort-seeking nation. These are end-time events that are quite mystifying but extremely critical for this generation of Christianity to understand. The mission of this book is to provide a clearer understanding of these times by looking at biblical prophecy through our 21st century eyes. It is intended to feed the warrior spirit within that Christian remnant who are aware of the tremendous challenges that lie shortly before us and are seeking guidance as to what we are about to confront, and how to "be ready." Although there are many different viewpoints concerning eschatology within American churches, a common ground between them is that they are all warm and fuzzy teachings that fail to challenge Christians to prepare for the reality of the coming tribulations that our Lord, Jesus Christ continually warned us about. This book is designed to reach out to those Christians who sigh and groan over the increasingly sinful abominations being embraced by our country, with the hope of raising up strong, strategic leaders who will guide many to prepare for the challenging events that are rapidly descending upon America and the entire world. Christian Warriors - we are no longer free to play the role of civilians—for dark times are coming providing tremendous opportunities to be a strong light for the kingdom of God.
