The Manager's Handbook for Business Security, Second Edition

The Manager's Handbook for Business Security, Second Edition

The Manager's Handbook for Business Security is designed for new or current security managers who want build or enhance their business security programs. This book is not an exhaustive textbook on the fundamentals of security; rather, it is a series of short, focused subjects that inspire the reader to lead and develop more effective security programs.

Chapters are organized by topic so readers can easily-and quickly-find the information they need in concise, actionable, and practical terms. This book challenges readers to critically evaluate their programs and better engage their business leaders. It covers everything from risk assessment and mitigation to strategic security planning, information security, physical security and first response, business conduct, business resiliency, security measures and metrics, and much more.

The Manager's Handbook for Business Security is a part of Elsevier's Security Executive Council Risk Management Portfolio, a collection of real world solutions and "how-to" guidelines that equip executives, practitioners, and educators with proven information for successful security and risk management programs.

- Chapters are organized by short, focused topics for easy reference
- Provides actionable ideas that experienced security executives and practitioners have shown will add value to the business and make the manager a more effective leader
- Takes a strategic approach to managing the security program, including marketing the program to senior business leadership and aligning security with business objectives

From reader reviews:

Kenneth Tillman:

Book is to be different for every grade. Book for children until eventually adult are different content. As it is known to us that book is very important normally. The book The Manager's Handbook for Business Security, Second Edition was making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The book The Manager's Handbook for Business Security, Second Edition is not only giving you considerably more new information but also to be your friend when you experience bored. You can spend your spend time to read your reserve. Try to make relationship while using book The Manager's Handbook for Business Security, Second Edition. You never truly feel lose out for everything in the event you read some books.

Gregory Throop:

Reading a book tends to be new life style on this era globalization. With looking at you can get a lot of information that can give you benefit in your life. With book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire their reader with their story or maybe their experience. Not only situation that share in the guides. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some exploration before they write on their book. One of them is this The Manager's Handbook for Business Security, Second Edition.

Della Francis:

Many people spending their time period by playing outside along with friends, fun activity together with family or just watching TV all day long. You can have new activity to pay your whole day by examining a book. Ugh, do you consider reading a book can actually hard because you have to accept the book everywhere? It fine you can have the e-book, taking everywhere you want in your Touch screen phone. Like The Manager's Handbook for Business Security, Second Edition which is having the e-book version. So , try out this book? Let's view.

Julie Chambers:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Manager's Handbook for Business Security, Second Edition can make you really feel more interested to read.
